Because of this mission, OCIEL strongly supports the Equine Medication Monitoring Program administered by the California Drug and Food Administration. OCIEL will follow the rules as prescribed by the California Drug and Food Administration on drug use in all competing horses/ponies at an IEL horse show. We encourage all OCIEL riders, trainers and parents to go to the CDFA website to learn more. (http://www.cdfa.ca.gov/ahfss/Animal_Health/emmp/) In accordance with CDFA procedure there may be random drug testing administered by CDFA employees at any or all OCIEL horse shows. If any horse/pony is found to have a positive result from this testing, the CDFA will contact the owner and trainer of said horse/pony for further investigation. At the conclusion of that investigation OCIEL will be notified by the CDFA if the CDFA finds that a violation of the CDFA rules has occurred. If OCIEL is notified that a horse/pony has been found by the CDFA to be in violation of the California Medication Rule, the rider of that horse will forfeit all points accumulated at the OCIEL horse show where the sample was collected. Instances where there is a tie in points, the person entering the highest level class of the division will take precedence over those in lower level classes in the same division. The point system will be used to determine the Dressage Overall Year-End award recipients. As this is the first year incorporating points, and as some classes may only have one rider, show management may choose to convert back to the top scores. This will be determined at show management’s discretion: the rider’s top three scores from any eligible classes would be averaged. Eligible classes are classes where the rider had entered the class at a minimum of three shows. The daily Champion and Reserve Champion will be determined by the highest and second highest score, respectively, of the show day.

SECTION L: VICTOR HUGO-VIDAL PRACTICUM: At show #3 all riders who are interested in competing may schedule a time to meet with the Victor Hugo-Vidal Practicum Judge. SECTION D: The Western Stock Seat Medal class is an equitation class requiring riders to perform a pattern that must be comprised of two or more tests from Article 2225. Position, hands and seat are paramount and are to be rewarded above a good reining pattern. A rider who is off pattern will be disqualified and will not receive any award except in a work-off. In the case of a tie, the rider will be placed last of those chosen for the work-off (Exception: Art 2224.6.1). Due to the difficulty of properly fitting tack, riders are not asked to change horses. In Medal classes, bits must be dropped and inspected on all finalists being considered for an award. Riders must be dismounted for this inspection. Patterns must be posted one hour prior to the class. If there is a discrepancy between the posted pattern and the announced pattern, the posted pattern is the pattern to be followed. If there is a discrepancy between the written pattern and the drawn pattern, the written pattern will take precedence.

Article 2225: Test from which Judges must choose. Tests can be performed either collectively or individually but no other tests may be used. Instructions must be publicly announced. SECTION B: All English riders are required to perform over at least eight fences not exceeding 2' for Novice, 2'6" for Freshman, 3' for Junior Varsity and 3'6" for Varsity. There will be two Judges scoring each round and the scores will be averaged. A maximum of 12 riders, if available, are required to show at the walk, trot and canter, to be judged under the current standards for the equitation division. The flat phase will count 40%. After the flat phase, the top 6 (or a rider within 3 points of the leader) will be asked to do additional testing. USEF tests 1 thru 19 may be used. If an exhibitor is eliminated in the first phase, that rider will not return for the flat phase.

During the second round, Judges will sit together to determine the top 6 riders or riders' who score within 3 points of the leader. - Tests may be called, but no coaching is allowed

- Going off course constitutes a 2-point deduction the first time, a 4-point deduction the second time, and 8 point deduction the third time and elimination the fourth time
- Errors of the test such as rising instead of sitting the trot or saluting with the reins in both hands will be penalized as an error off course
- A competitor who does not enter the arena within 60 seconds after the entry bell is rung shall be eliminated
- No competitor can be required to ride prior to the scheduled time. The assigned ride time is the ride time the rider is expected to enter the arena. It is the rider's responsibility to arrive at the arena on time
- If a rider misses his or her dressage time, he or she will be eliminated from the class and will not receive a refund

SECTION B: ELIMINATIONS: The illegal use of equipment, unauthorized assistance, four (4) errors of the course, late entry into the arena, cruelty, marked lameness, and if all four (4) feet of the horse leave the arena before the test is done.
