

SEC. 1.0 GENERAL RULES

- 1.1 Until they have filed an official protest with and paid the current protest fee to the show secretary, a person may not contest, or question the setting of a Gymkhana course. Nor may they enter the arena to inspect the setting of a Gymkhana course.
- 1.2 The term "weave" means to pass the obstacles on alternate sides.
- 1.3 In all courses the rider has the option of starting on the right or left side of the first obstacle.
- 1.4 Show management is not limited to the events listed in this chapter, however, if others are offered the general rules must be observed, except where inapplicable.

SEC. 2.0 RATING EVENTS

The events listed in this section are used in calculating CSHA Average Time Division Ratings. All four (4) events from this section must be offered in order for a show to be eligible as a Rated Show (see Gymkhana Rules, section 8.4 Average time Division rules, for specific requirements).

At the State Championship Show these courses are offered every year.

2.1 Big T

The rider crosses the start/finish line passing Pole 1 and then weaves poles 2 and 3. After passing pole 3 the rider continues toward the inside of barrel 1, executes a turn around barrel 1, and then continues in a straight line to barrel 2. The rider executes the same turn around barrel 2 and then proceeds to the opposite side of pole 3. The rider weaves back through the poles until he crosses the start/finish line.
